Part IV. PRIME CONTRACT SPECIAL PROVISIONS

For purposes of this section, “Government” means the United States Government. The following clauses are incorporated into the Contract in full-text:

Deferred Delivery of Technical Data

The requirement for TDPs under the FASTeR contract has been transferred to this contract as outlined below. The Government may choose to order FASTeR TDPs under this contract in accordance with DFARS 252.227-7026 “Deferred Delivery of Technical Data or Computer Software”.

The Seller shall remain responsible to maintain the currency of their drawings and associated lists, provide access to the F-22 Team/Government personnel upon request, and deliver a complete Technical Data Package should the Government order delivery of TDPs under this contract in accordance with the above.

The Government and the Contractor agree that the Government’s rights in any data described above which is called for delivery under this contract shall be subject to the data rights clauses of this contract (including DFARS 252.227-7013 Rights in Technical Data – Non-Commercial items). Any unique data newly created under this contract shall be subject to the data rights clauses in this contract.

Release of Information

Prior to release of any information relating to this contract, not previously cleared or released by the United States Air Force (USAF) or the DoD, the Seller shall obtain approval through Lockheed Martin, from AFLCMC/WWU (F-22 Director's Action Group (DAG)), 2725 C Street, Bldg. 553, WPAFB OH 45433-7424 at least 60 days prior to need date. F-22 DAG will facilitate review/approval process with F-22 Subject Matter Experts, F-22 Security, and Front Office Group. F-22 DAG will forward completed submission to 88th Air Base Wing Office of Public Affairs (88 ABW/PAX) WPAFB OH for action. AFLCMC/PAX will send decision for or against approval back to requester.

Documents will be converted to Portable Document Format (PDF) or scanned image (i.e., JPEG, TIFF, etc.) before release to the Public Affairs office and for public consumption.

Documents shall not be released to the public in native format (i.e., Word, Excel, etc.), where the content can be manipulated after release to reveal document statistics or track history information.

Public release submissions shall be sent via means that prevent the exposure of the content prior to Public Affairs clearance.

Electronic submissions will use a secure web server; hardcopies, CD-ROM, DVD, or video media shall be sent via mail to Lockheed Martin and comply with the following:

- a) Hard copy briefings, developed using Microsoft PowerPoint, or any application with Note pages, must be submitted with briefing printed with Note pages
- b) All briefings will be submitted with proposed briefing script unless presentation provides sufficient detail to meet intent
- c) All submissions must be reviewed by submitting location security office; validating submission does not contain classified, critical program information, or critical information. Public release packages must be submitted reflecting this review, SIGNED by the security reviewer

d) The Seller shall flow down the following requirement in any subcontract awarded as a result of this purchase order: "Information includes, but is not limited to, news releases, articles, manuscripts, brochures, advertisements, still and motion pictures, video clips, speeches, trade association meetings, symposia, published professional papers, abstracts, briefings, etc. Briefings submitted using Microsoft Power Point shall be submitted in Note Page format

All Seller requests must include a statement that full internal technical and security reviews have been accomplished and that the information being submitted for clearance is "unclassified, technically accurate, nonproprietary, and considered suitable for public release."

Seller must provide three (3) copies of each document or magnetic media (video, CD, floppy disk, etc.) and request letter by postal mail or package service. For security and administrative reasons, documents may not be submitted by electronic mail.

Unclassified, unlimited distribution information proposed for public release about the F-22 Program must be submitted through Lockheed Martin to:

AFLCMC/WWU (F-22 Director's Action Group (DAG)) 2725 C Street, Bldg. 553
WPAFB, OH 45433-7424
Telephone: 937-713-7376/7375

Allow for a minimum of 60 days for local reviews and processing of routine documents (Public Affairs requires 10 days minimum for their review). Documents requiring review and clearance at higher headquarters may take up to 45 days. An additional ten (10) copies of documents must be provided at the request of 88 ABW/PAX when higher headquarter clearance is required.

Contractor Identification

Seller personnel and their subcontractors must identify themselves as contractors or subcontractors during meetings, telephone conversations, in electronic messages, and correspondence related to this contract. Contractor occupied facilities (on AFMC or other Government installations) such as offices, separate rooms, or cubicles must be clearly identified with Contractor supplied signs, name plates or other identification, showing that these are work areas for Contractor or Subcontractor personnel.

All Contractor Management Staff and Contractor personnel shall be clearly identified as such at all times. Contractor identification shall include conversations, mail, email, teleconferences, video teleconferences, faxes, and/or other electronic communication whether with Government personnel, other Contractor personnel, or with the public when supporting this contract where their status as Contractor employees might not otherwise be apparent or where they might be mistaken for civil service employees. Air Force issued identification badges and any Contractor badges shall be worn at or above the waistline during the individual's duty hours when not in a production or designated Foreign Object Damage (FOD) hazard area.

Support Material Capability Assets

(a) For reference purposes only, the Government is responsible for providing the common replenishment spares and items listed below:

1. Common Support Equipment Replenishment Spares
2. Air Vehicle Replenishment Common Spares
3. Training Expendables (even if sole source to the Contractor)
4. Common Bulk Items List (CBIL) Consumables Replenishment Lay-In (Rags, speedy dry, string, grease, alcohol, and non-part numbered maintenance material like sheet stock)
5. Personal Equipment Replenishment Spares

(b) Items procured by the Contractor in fulfillment of this requirement are Government Property in accordance with FAR 52.245-1. Notwithstanding, the Contractor is authorized, without any requirement for additional approval, to:

1. Replace, repair, or modify Government Property used in the performance of this contract
2. Move/relocate material managed under this contract
3. Borrow assets required in the performance of this contract from other related F- 22 contracts on an as required basis. However, nothing in this clause relieves the Contractor of obligations under this or any other contract unless mutually agreed by the parties. Movement of assets between contracts will be accomplished on a loan-payback or other basis, in accordance with the Contractor's Cost Accounting Standard Board Disclosure Statement (CASB). It is an objective of the process to maintain cost neutrality between all contracts involved
4. Replace Government Property that is reported as lost, damaged, or destroyed, immediately upon identification of such or recommended alternative action. The cost associated with such replacement will be considered allowable and allocable to the extent it would have otherwise been allowable and allocable under the contract
5. Flow down this clause in whole or in part to any SubContractor at any tier meeting the criteria described in paragraph (e) of this clause

(c) All property under this clause will be accounted for under the Contractor's or SubContractor's approved property system

(d) This clause is in effect as long as the Contractor and any SubContractor whose contract contains a similar clause has a Government approved property system. Without an approved Government property system, authorization under this clause will be handled on a case-by-case basis and subject to the Contracting Officer's approval

(e) The material acquired in support of this contract, and this contract's CLINs requirements will remain in Contractor control for exclusive use in providing of a Support Material Capability. However, the Government retains right to title of all material acquired to execute this contract

(f) Upon completion of F-22 Support Material Capability activities, as contemplated by this contract, all F-22 assets, acquired by the Contractor in anticipation of full F-22 Air Vehicle Sustainment, shall be rolled over to and made available on any subsequent contract issued by the Government requiring F-22 Material Support Capability. However, the Government retains right to title of all material acquired to execute this contract

(g) In the event no subsequent F-22 contract requiring a Material Support Capability is issued, all residual F-22 assets, acquired during performance of this contract shall remain Government Property and disposition of these assets shall be in accordance with the Government Property Clause at 52.245-1, Section I hereof

Unique Identification

As specified and funded by the individual task orders, the Contractor shall perform Item Unique Identification (IUID) activities in accordance with MIL-STD-130N with Change 1, DoDI 8320.04, DFARS clause 252.211.7003. The Contractor shall record IUID marked items in the Department of Defense IUID Registry IAW DFARS clause 252.211-7003.

Authorization to Use other than New Material

(a) Support services capability is performance-based support of the flying hour program (e.g. field service representatives, heavy maintenance capability, support engineering, etc.). Support material capability provides spares as required to meet the flying hour program in a manner that is consistent with specific performance based results. In order to effectively implement this concept, the following authorization to use other than new material shall pertain to all F-22 contracts

(b) Authorization to use other than new material: In order to implement the support material capability concept in a manner that ensures maximum flexibility and efficiency, it may become necessary to utilize "other than new" materials in the performance of one or more contracts in the F-22 program. "Other than new" material is defined under the clauses at FAR 52.210-5, New Material (APR 1984) and FAR 52.210-7, Used or Reconditioned Material, Residual Inventory, and Former Government Surplus Property (APR 1984). Material is further defined under the clause at FAR 52.211-5, Material Requirements (AUG 2000). These clauses (and any substantially similar clauses in later contracts) require the use of new materials in the performance of the contract requirements, unless the use of "other than new" material is authorized in writing by the Contracting Officer. Subject to the conditions referenced in paragraph (c) below, the Contracting Officer hereby authorizes the use of "other than new" materials in the performance of this contract. To the extent allowed by paragraph (c) below, this authorization includes the use of material previously available to or accepted by the Government and returned to the Contractor as Government Furnished Property

(c) Conditions on the authorization to use other than new material: The above authorization to use "other than new" material in the performance of this contract is subject to the conditions listed below. Any potential use of "other than new" material that does not meet all the conditions listed below shall be evaluated on a case by case basis by the Contracting Officer in accordance with the applicable clause(s) referred to in paragraph (b) above

1) Suitability for the intended use: The "other than new" material to be used in the performance of this contract must be suitable with respect to form, fit, function, and interface, and may not create limitations to the weapon system performance, supportability, or effectiveness in performance of the assigned mission

2) Condition: The "other than new" material to be used in the performance of this contract must be in a serviceable condition without creating additional operational limitations. All Time Change Items (TCIs) to be used as "other than new material" shall have at least 40% or not less than 400 flight hours of useful life remaining, whichever is higher. Parts or components identified as "bad actors" (as defined by Chapter 8, TO 00-35D-54) shall not be used

3) Safety of flight: The "other than new" material to be used in the performance of this contract must not create a safety of flight risk

4) Proper configuration: The "other than new" material to be used in the performance of this contract must conform to the authorized configuration of the end item for which such material is to be used. If a preferred sparing activity applies, the "other than new" material must conform to the preferred configuration

(d) Asset Management Prioritization: The Contractor shall make the day to day decisions and authorize the movement of assets in accordance with the Uniform Material Movement and Issue Priority System (UMMIPS) defined by DoDM 4140.01. When the minimum requirements of the program conflict with those of the field support or test programs (or vice versa), the Contractor shall notify the Contracting Officer prior to utilizing an asset otherwise needed to fulfill the minimum requirements of the affected program. Deviations from or exceptions to the above priority requirements shall require written direction from the Contracting Officer. Any equitable adjustments to the contract(s) price and/or schedule (if appropriate) shall be executed in accordance with the "Changes" clause of this contract. This in no way relieves the Contractor of any responsibilities or obligations under this or any other contract in the F-22 program

Special Tooling, Special Test Equipment and other GFP

In performance of this purchase order or any other F-22 related purchase orders/contracts, the Seller may use and may authorize its subcontractors to use, on a rent free, non interference basis Special Tooling, Special Test Equipment and other GFP accountable or approved for use.
