SECTION I: COST REIMBURSEMENT PROVISIONS

1. ALLOWABLE COST AND PAYMENT.

- (a) Invoicing. LOCKHEED MARTIN shall make payments to the SELLER when requested as work progresses, but not more often than once every 2 weeks, in amounts determined to be allowable by LOCKHEED MARTIN in accordance with the terms of this Contract and Subpart 31.2 of the FAR; and agency supplements as appropriate, in effect on the date of this Contract. If the Contract is with an educational institution, FAR Subpart 31.3 shall apply; and if with a non-profit organization other than an educational institution, FAR Subpart 31.7 shall apply. The SELLER may submit to the LOCKHEED MARTIN Purchasing Representative, in such form and reasonable detail as the representative may require, an invoice or voucher supported by a statement of the claimed allowable cost for performing this Contract.

(b) Reimbursing costs.

- (1) For the purpose of reimbursing allowable costs (except as provided in subparagraph (2) below, with respect to pension, deferred profit sharing, and employee stock ownership plan contributions), the term "costs" includes only:

- (i) Those recorded costs that, at the time of the request for reimbursement, the SELLER has paid by cash, check, or other form of actual payment for items or services purchased directly for the Contract.
- (ii) When the SELLER is not delinquent in paying costs of contract performance in the ordinary course of business, costs incurred, but not necessarily paid, for:
 - (A) Materials issued from the SELLER's inventory and placed in the production process for use on the Contract;
 - (B) Direct labor;
 - (C) Direct travel;
 - (D) Other direct in-house costs; and
 - (E) Properly allocable and allowable indirect costs, as shown in the records maintained by the SELLER for purposes of obtaining reimbursement under Government contracts.

- (iii) The amount of progress payments that have been paid to the SELLER's subcontractors under similar cost standards.

(2) SELLER contributions to any pension, profit sharing, or employee stock ownership plan funds that are paid quarterly or more often may be included in indirect costs for payment purposes; provided, that the SELLER pays the contribution to the fund within 30 days after the close of the period covered.

Payments made 30 days or more after the close of a period shall not be included until the SELLER actually makes the payment. Accrued costs for such contributions that are paid less often than quarterly shall be excluded from indirect costs for payment purposes until the SELLER actually makes the payment.

- (3) Notwithstanding the audit and adjustment of invoices or vouchers under paragraph (g) below, allowable indirect costs under this Contract shall be obtained by applying indirect cost rates established in accordance with paragraph (d) below.

- (4) Except as otherwise expressly provided to the contrary in these Provisions or in the Schedule of this Contract, any statements in specifications or other documents incorporated in this Contract by reference designating performance of services or furnishing of materials at the SELLER's expense or at no cost to LOCKHEED MARTIN shall be disregarded for purposes of cost reimbursement under this clause.

- (c) Small business concerns. A small business concern may be paid as often as every 2 weeks and may invoice and be paid for recorded costs for items or services purchased directly for the Contract, even though the concern has not yet paid for those items or services.

- (d) Final indirect cost rates. LOCKHEED MARTIN shall reimburse SELLER on the basis of final annual indirect cost rates and the appropriate bases established by SELLER and the Government in effect for the period covered by the indirect cost rate proposal. Such rates and bases shall not change any monetary ceiling, contract obligation, or specific cost allowance or disallowance provided for in this Contract. The rates and bases shall be deemed incorporated into this Contract upon execution.

- (e) Billing Rates. There shall be included as allowable indirect costs such overhead rates as may be established by SELLER and the cognizant Government Agency in accordance with the principles of the Federal Acquisition Regulation and applicable FAR Supplement. Pending establishment of final overhead rates for any period, SELLER shall be reimbursed at billing rates approved by the cognizant Government Agency, which billing rates may be revised from time to time subject to such approval and subject to appropriate adjustment when the final rates for that period are established.

- (f) Quick closeout procedures. When the SELLER and LOCKHEED MARTIN agree, the quick closeout procedures of Subpart 42.7 of the FAR may be used.

- (g) Audit. At any time or times before final payment, LOCKHEED MARTIN or the Government may audit the SELLER's invoices or vouchers and statements of cost. Any payment may be (1)

reduced by amounts found by LOCKHEED MARTIN or the Government not to constitute allowable costs or (2) adjusted for prior overpayments or underpayments.

(h) Final payment.

(1) The SELLER shall submit a completion invoice or voucher, designated as such, promptly upon completion of the work, but no later than one year (or longer, as LOCKHEED MARTIN may approve in writing) from the completion date. Upon approval of that invoice or voucher, and upon the SELLER's compliance with all terms of this Contract, LOCKHEED MARTIN shall promptly pay any balance of allowable costs and that part of the fee (if any) not previously paid.

(2) The SELLER shall pay to LOCKHEED MARTIN any refunds, rebates, credits, or other amounts (including interest, if any) accruing to or received by the SELLER or any assignee under this Contract, to the extent that those amounts are properly allocable to costs for which the SELLER has been reimbursed by LOCKHEED MARTIN. Reasonable expenses incurred by the SELLER for securing refunds, rebates, credits, or other amounts shall be allowable costs if approved by LOCKHEED MARTIN. Before final payment under this Contract, the SELLER and each assignee whose assignment is in effect at the time of final payment shall execute and deliver:

(i) An assignment to LOCKHEED MARTIN, in form and substance satisfactory to LOCKHEED MARTIN, of refunds, rebates, credits, or other amounts (including interest, if any) properly allocable to costs for which the SELLER has been reimbursed by LOCKHEED MARTIN under this Contract; and

(ii) A release discharging LOCKHEED MARTIN, its officers, agents, and employees from all liabilities, obligations, and claims arising out of or under this Contract, except for specified claims stated in exact amounts, or in estimated amounts when the exact amounts are not known.

(i) Subcontracts. No subcontract placed under this contract shall provide for payment on a cost-plus-a-percentage-of-cost basis, and any fee payable under cost-reimbursement type subcontracts shall not exceed the fee limitations in paragraph 15.404-4(c)(4)(i) of the Federal Acquisition Regulation (FAR).

2. FIXED FEE. (Applicable only if this Contract includes a fixed fee.)

LOCKHEED MARTIN shall pay the SELLER for performing this Contract the fixed fee as specified in the Schedule. After payment of 85 percent of the fixed fee, LOCKHEED MARTIN may withhold further payment of fee until a reserve is set aside in an amount that LOCKHEED MARTIN considers necessary in its sole discretion to protect LOCKHEED MARTIN's interest. This reserve shall not exceed 15 percent of the total fixed fee or \$100,000, whichever is less.
